4. APPENDIX
DIRECT TO CUSTOMER AND INTERNATIONAL STRATEGY ADVANCED

— Direct to customer sales* account for circa 90% of Group revenue (2018: 84%)
— Asia represents 14% of Group revenue (2018: 9%) with 32 Retail stores (2018: 29) and Mulberry Korea now a wholly owned subsidiary
— Global Digital sales up 23%
— UK business impacted by an increasingly promotion led environment and lower traffic to stores
— Newly launched bags are over 80% of full price bag sales with two new popular styles, Millie and Iris
— Further developing sustainable product ranges, using recycled materials and maintaining an accessible luxury price positioning
— 65% of leathers sourced from environmentally certified tanneries
— Against an uncertain backdrop, the Board expects the Group to trade profitably and to generate cash during the second half of the financial year

* Direct to customer represents sales generated through all Mulberry stores, department store concessions and digital channels

2. International development

INTERNATIONAL DEVELOPMENT PROGREGGED, NOW REPRESENTS C. 35% OF REVENUE

- **Asia**: represents a significant growth opportunity and remains a key strategic focus; local management teams focused on implementing the Group’s direct to customer model
- **North America**: a store featuring the new concept was opened in Rockefeller Center, New York on 5th Avenue
- **Europe**: Paris store impacted by well documented social disruption
ASIA REMAINS A KEY STRATEGIC FOCUS, REPRESENTS 14% OF SALES (2018: 9%)

— **South Korea**: Retail store network further enhanced, new management team introduced in Seoul office, Group’s merchandising systems implemented, Mulberry Korea now wholly owned subsidiary

— **China, Hong Kong, Taiwan**: steady progress in China and Taiwan, Hong Kong impacted by ongoing disruption with sales down double digits (small proportion of Group revenue)

— **Japan**: #MulberryxTokyo customer event held during August 2019, momentum accelerated post event
3. Product / Leather Goods

INNOVATIVE AND DISTINCTIVE LEATHER GOODS

— Further developing sustainable product ranges, including the use of recycled materials and maintaining an accessible luxury price positioning

— New women’s bags over 80% of full price bag sales; successful launch of two new soft bags, Millie and Iris

— Category of mini bags further enhanced and developed, with positive results

— Personalisation offer introduced, with plans to further enhance in coming seasons
3. Product / Lifestyle

LIFESTYLE CATEGORIES FURTHER DEVELOPED TO ACQUIRE NEW CUSTOMERS

— Encouraging momentum from men’s leather accessories with new, more modern direction introduced; bestselling ranges are the relaunched Anthony messenger bag and new Urban family

— Ready to wear, shoes, soft accessories, jewellery and eyewear continue to be developed

— Trainers performing particularly well following introduction of new ranges
4. UK manufacturing

DISTINCTIVE “MADE IN ENGLAND” POSITIONING

— Rich heritage in craftsmanship and innovative design with a sustainable approach
— 2 factories in Somerset are carbon neutral and manufacture approximately 50% of bags
— Furthering use of sustainable materials with all new Men’s nylon bags made form 100% recycled materials and 65% of leathers from environmentally certified tanneries (25% are gold standard)
— Further investments in agile supply chain enhancing market reactivity and reducing lead times
— Extensive apprenticeship programme to develop the next generation of craftspeople
— Products ‘made to last’ since brand’s establishment in 1971, supported by a lifetime service commitment
3. Current Trading and Outlook
GROUP RETAIL

- Retail sales have continued to reflect similar trends as the period
- Asia is generating double digit sales growth, driven by South Korea and Japan, whilst trading in the UK remains challenging

INTERNATIONAL RETAIL

- Sales growth in South Korea and Japan accelerated in recent months and this momentum has continued into the second half of the financial year
- Performance of China and Taiwan business is promising, driven by ongoing enhancements to the store network and Digital and Omni-channel platform
- Sales in Hong Kong remain down double digits, with ongoing disruption likely to continue to impact performance
- The Board anticipates that International will continue to grow and increase as a proportion of revenue

UK RETAIL

- UK retail environment has remained challenging, as has been well documented
- 2 new pop up stores since the end of the period opened in Gatwick Airport and Canary Wharf
- Group will continue to invest in enhancing the customer experience and in optimising the store network
INTERIM RESULTS — 26 WEEKS ENDED 28 SEPTEMBER 2019

Current Trading & Outlook

SELECTIVE FRANCHISE & WHOLESALE

— Group continues to focus on Direct to customer model
— Selective Franchise and Wholesale Revenue for second half of the financial year will decline, primarily reflecting the conversion of John Lewis to concession from November 2018

CAPEX

— Selective roll out of new store concept will continue during the year to 30 March 2020
— Capital expenditure for the 52 week period ending 30 March 2020 is expected to be in the region of £6.0 million (2019: £11.9 million), the majority of which will be on stores and ongoing investment in Digital and IT systems

FY OUTLOOK

— Against an uncertain backdrop in the UK and with the important Christmas period ahead, the Board expects the Group to trade profitably and to generate cash during the second half of the financial year
