## 3. OPERATIONS SCALABLE PLATFORM

"WILLOWS" FACTORY IN SOMERSET COMPLETED ON TIME AND TO BUDGET

- Production commenced during June 2013 with creation of 320 new jobs
- Doubled UK production capacity with more than $50 \%$ of our handbags now made in the UK using traditional skills and craftsmanship
- Factory will continue to build up to full production efficiency in 2014/15

SUPPLY CHAIN

- On track to complete the implementation of new integrated supply chain management system

## CURRENT TRADING AND OUTLOOK

## CURRENT TRADING

- Retail sales down 9\% for the 10 weeks to 7 June 2014, down 15\% like-for-like (vs. the prior year period)

## CAUTIOUS OUTLOOK

- Outlook for the current financial year remains challenging
- Product range rebalanced following management changes during March 2014, but expect improvement in sales will be progressive
- Launch of the new Tessie collection has been well received
- Following effective stock clearance during 2013/14, outlet sales have settled at more normal levels this year
- Spring Summer 2015 well received by Wholesale customers but this channel will take longer to recover
- Double digit decline in Wholesale sales expected for the 2014/15 financial year as a whole

## INTERNATIONAL EXPANSION

- Plan to open five new directly operated stores during 2014/15
- Acquisition of new Paris flagship store; due to open early 2015/16

## CONTINUED INVESTMENT

- Capex for 2014/15 expected to be c. £18.0 million, of which £14.6 million will be on stores
- This reflects a significant investment in the important Paris flagship store
- Some effect on gross margin in 2014/15 as second factory is building up to full efficiency
