New Own Stores	1	2	1
New Partner Stores	5	3	3
Total New Stores	6	5	4

OUTLOOK AND STRATEGY

CURRENT TRADING AND OUTLOOK

- Retail sales up 18% for the 10 weeks to 3 December 2011, like-for-like up 14% against strong comparatives
- Spring/Summer 2012 orders up 29% compared to the Spring/Summer 2011 end of season total with three months of the selling season remaining
- Renewed Asia-Pacific distribution agreement with Club 21 and finalised new Japanese distribution agreement
- The outlook is positive, however, the potential impact of the economic environment on consumers' spending habits makes the future more challenging

THE FUTURE

INTERNATIONAL EXPANSION

- Direct investment in USA and Europe, using internally generated cashflow
- International partners leading growth in Asia-Pacific with a focus on China, Japan, and South Korea
- Selected wholesale accounts to remain an important channel

NEW STORE OPENINGS

- In the financial year commencing 1 April 2012 we plan to open seven Mulberry operated stores in Europe and the USA supplemented by at least eight new partner stores (including free standing stores and department store shop-in-shops)

THE FUTURE

INTELLIGENT INVESTMENT IN BRAND

- We continue to invest in our brand with increased emphasis on building brand awareness in international markets, especially the USA and Asia
- We are sustaining and developing our program of sponsorship and cultural collaboration to build brand awareness including events planned for London Fashion Week, Coachella and Cannes
- New e-commerce and rich content web platform to launch by the end of the next financial year to include full integration with our social media strategy
- Continued communication of brand differentiation, emphasising the brand's investment in craft and UK manufacturing, CSR commitment and creation of iconic carry-over product

THE FUTURE

INVEST IN INFRASTRUCTURE TO SUPPORT GROWTH

- On-going review of production capacity and supply chain capability
- Continuous drive to enhance and maintain quality standards
- Significant investment in IT, including web, till systems, supply chain management and CRM systems

CONSERVATIVE FINANCIAL MANAGEMENT

- Continue to maintain a strong balance sheet
- Strong corporate governance and control framework
